BOOKING REGULATIONS

A. **General**

Three officials will be used in all varsity games booked by this Association. Fees and travel shall be paid in accordance with the schedule above and that listed in the High School League handbook.

A school may submit a mark-off list of not more than eight (8) officials. Officials on this list will not be assigned to any basketball game of that school. No more than 8 officials may be on a mark-off list at any given time.

When there is a problem of an official being on too many mark-off lists, the Commissioner shall scout the official, investigate, and take any action that he deems necessary.

All games on a given date will be arranged in numerical order according to anticipated importance, rivalry, relative bearing on conference standing, and other similar factors.

When priority of games has been established, the booking office will begin making assignments with the game of most priority and will continue in numerical order until all games have been assigned.

Officials may turnback assignments without penalty if done via email (or in writing) 14 or more days prior to the assignment.

An official assigned to a game and later rejected by one of the competing schools, with less than 14 days' notice, will be paid his fee by the rejecting school. If assigned to another game, the rejecting school must make up any difference in fee.

Officials certified by the high school league must be used in all varsity games. The League office will not book any regular season games below the varsity level.

Unnecessary mileage restrictions by officials shall cause the booking office to restrict assignments to that official. Officials having travel and time restrictions (after 5 p.m.) will be given last consideration in booking.

Any time restriction and/or mileage restriction, which has been in effect for more than one-half of the regular season, shall also be in effect for tournaments.

The Commissioner reserves the right to revise the above regulations in case of emergency.

Directors may charge a reasonable booking fee for the booking of JV, "B" Team, Jr. High, & Middle School games.

B. **Pre-Season & Holiday Tournaments**

The local director will assign officials for all pre-season and Christmas tournaments, JV, "B" team, Jr. High, and Middle School tournaments.

Officials shall be limited to two SCHSL regularly booked varsity assignments per week, during the regular season.

D. **Playoffs, Conference Tournaments & State Tournament Officials**

An official must have worked at least 10 varsity assignments, booked by the SCHSL, to be eligible for playoff assignments.

There shall be no limit to the number of assignments an official may have per week during the playoffs.

The booking office will assign officials to all regional and conference basketball tournaments. Tournament directors may inform the booking office of no more than 6 officials that they prefer not to have.

For the State Tournament the Commissioner will make up a list of eligible officials. This list will be composed of the top 20 percent by rating of each of the 12 districts as well as the top 20 percent in the state. This list will be used to assign officials to each tournament.

State play-off finals shall be restricted to one final game for any one official.

Starting with the **2010** State Finals, no official may work more than two consecutive state finals.

All appeal votes shall be by closed ballot.

The following are excerpts taken from the South Carolina High School League Handbook

CONTEST SCHEDULED STARTING TIME

Coaches of all high school sports are requested to organize their program so that their athletic contests start at the scheduled time. Officials have been requested to be at the game in advance of the starting time.

Preliminary ceremonies are an important part of the school activity program, and the coach should work with others connected with this program to see that their activities are concluded in time for the game to start as scheduled and advertised.

Varsity – JV game time conflict. Game management shall make the call whether to continue the JV contest or shorten the game. If the varsity games start later than the prescribed limits above, the varsity game(s) shall be played, and the matter reported to the SCHSL for their review.

CANCELING OR POSTPONING A BASKETBALL GAME

Instructions for canceling or postponing a basketball game are as follows:

1. Notify the officials assigned to the game and inform them of the date on which the game will be made up. If the home school fails to notify an official assigned to the game and the official travels to the site, the official will be paid mileage for travel performed plus the game fee.

2. Notify the league office and be prepared to inform the league that that all officials have been notified. Also inform the league whether the assigned officials will accept the game on the rescheduled date.

RESPONSIBILITIES OF THE SCHOOL

If a member school fails to furnish adequate police protection for the official's, said school is immediately placed on probation until an investigation can be made by the official's association and the South Carolina High School League. An official must report any irregular procedure of the game or any unusual conduct on the part of the crowd, coaches, school officials or students to the Executive Director of the South Carolina High School League.

Also, schools are required to provide a private meeting room for the officials prior to the games and during the intermission between games.

RESPONSIBILITIES OF THE COACH

The coach bears the greatest burden of responsibility for sportsmanship. His influence upon the attitudes and behavior of the players, the student body, and the community are unequaled. For good sportsmanship to become reality, it is essential that the coaches subscribe to the values of sportsmanship and teach its principles through word and deed. Coaches should:

- Always set a good example for others to follow.
- Instruct players in sportsmanship.
- Discipline students who display unsportsmanlike behavior.
- Respect the officials' judgment and interpretation of the rules.
- Be a good host to opponents.

RESPONSIBILITIES OF THE OFFICIALS

Officials should:

- Maintain a neat appearance, be friendly but businesslike.
- Know fully the rules and accepted officiating procedures.
- Make decisions promptly, fairly, and without arrogance.
- Be consistent.
- Eliminate showboating in officiating.
- Be on time and start the game on time.
- Refrain from placing hands on players during an athletic contest.
- Work together with other officials. A pre-game conference prior to each game is a must.

POLICY, COACH-OFFICIAL RELATIONSHIP

The League's policy concerning the ethical relationship between coach and official during and immediately following an interscholastic contest is that once officials are assigned, they are entitled to the active support of the coaches. Under no circumstances shall a coach attempt to publicly criticize, berate or intimidate an official.

Officials are expected to arrive on time at each game site, neatly dressed in the designated uniform. Officials should be in good physical condition, mentally ready to work the best possible game and fully cognizant of the playing rules. They are expected to hustle and to call each play as they see it without fear or favor, regardless of the score.

Officials are instructed to correct all errors if errors are made if they are correctable. Judgment calls on the part of officials are not subject to question or discussion. Officials are instructed to refrain

from discussing judgment calls with coaches, players, or spectators.

Coaches and officials are expected to treat each other with courtesy, dignity, and respect. Each should treat the other as he expects to be treated. These provisions should be carefully studied and followed.

Officials are advised that they should leave the basketball court as soon as possible following the completion of the game. This may save post-game arguments and protect those concerned from making a statement they might regret later.

REPORTING DISQUALIFICATIONS

League regulations require that officials report all disqualifications (player and coach). The player's number, school and the reason for the disqualification must be reported. It is not necessary to list the jersey color.

DISCIPLINE OF OFFICIALS

Officials' associations may set up rules and regulations for the discipline of its members. The legislative assembly of the South Carolina High School League is of the opinion that the final authority of discipline for both schoolmen and athletic game officials must be centralized and that this centralized authority will be the Executive Director of the league. The Executive Director has the authority to discipline the official in one or more of the following manners:

Warning - this is an official notice that an inexcusable, unethical, or unsportsmanlike action is a matter of record and must not happen again.

Probation - this is a more severe type of warning. An official on probation may be assigned to regularly scheduled games, but he will not be assigned to a play-off game for a conference championship, a play-off game toward the state championship or a tournament of any type.

Suspension - a suspended official may not work an interscholastic athletic contest of any kind for a member of the South Carolina High School League or a school that is a member of another state associated with the National Federation of State High School Athletic Associations.

Fine - a fine may be levied separately or in addition to a warning, probation, or suspension. It will be levied against the official and may range from the fee received for working the game up to a maximum of $100.00. Any disciplinary action by SCBOA or the Executive Director may be appealed to the Executive Committee of the High School League.

OFFICIALS LIABILITY INSURANCE

Liability insurance is covered under NFOA membership. (Up to one million dollars individual liability protection from suits arising from officiating duties and paying for legal fees as well as any assessments or damage awards.) Medical coverage is available through the national federation office.
